

January 2017 News from Pony Club Australia

Next generation of Pony Club leaders

Pony Club Australia has received a grant from the Australian Sports Commission to develop the next generation of female leaders in Pony Club.

We are urgently seeking nominations from across Australia to participate in the program.

Participants will gather in Adelaide on 18th and 19th March 2017 for a special workshop for Women Leaders in Sport, and then develop a plan for their future involvement in Pony Club. The Pony Club group will be working together during and after the workshop.

The workshop has received excellent feedback from past participants for its content, facilitators, networking and assistance with personal leadership development.

Flights, accommodation and workshop participation is fully funded by Pony Club Australia and the Australian Sports Commission.

Participants may be in their senior riding years in Pony Club, volunteering at their club or be working in a state office. It is expected that applicants will be female and aged 21-30 years old.

It is a challenging time of year to communicate the opportunity, and responses are required urgently, so please share within your club or state office.

Contact info@ponyclubaustralia.com.au or 03 95965390 if you have any questions.

Applications are simple. Just provide one page that includes your name, age and contact details, current role in Pony Club, education and employment history.

Applications close Monday 16th January 2017.

Reminder that applications for 2017 International coach and manager roles close next week
